

## **CST Training Checklist for Students**

(Includes Nursing, Allied, Medical Imaging)

Updated March 2022

All students must complete  $\underline{\text{mandatory}}$  training in order to access and use the clinical information system, **CST Cerner**, during their placements with the joint BC health authorities.

| Step   | 1: Get set up with Health Authority & LearningHub accounts (4 weeks before classroom training)  |
|--------|---|
|        | Your Health Authority Network Account/User ID (ADID) allows you to log in to the computer on site.  |
|        | Please monitor your academic email address (e.g. name@student.ubc.ca or name@my.bcit.ca) for an ADID  |
|        | activation code from User Access Services (uas@hssbc.ca), to be sent within 4 weeks of your placement start date.   |
|        | - If you did NOT receive a code with your email from UAS, your account is already activated.  |
|        | <ul> <li>If you did NOT receive a code with your email from OAS, your account is already activated.</li> <li>Please refer to the <u>Self-Service Password Reset tool</u> to reset your password.</li> </ul> |
|        | - Flease felet to the <u>Self-Service Password Reset tool</u> to reset your password.   |
|        | If you are a new user to CST Cerner, the CST Access & Provisioning team (CSTCernerAccess@vch.ca) will   |
|        | confirm the ADID before your placement start date.  |
|        |   |
|        | If you have NOT received any email from UAS, contact your Health Organization Service Desk:   |
|        | VCH Service Desk at 604-875-4334 or 1-888-875-4334  |
|        | PHSA Service Desk at 604-675-4299 or 1-888-675-4299   |
|        | PHC Service Desk at 604-806-9333  |
|        |   |
| П      |   |
| _      | Ensure your LearningHub account is associated with your academic email address (e.g. name@student.ubc.ca  |
|        | or name@my.bcit.ca).  |
|        |   |
|        | - Sign up for a LearningHub account   |
|        | - Ensure any <u>pre-existing</u> accounts are registered under your academic email (Reference: <u>How to update to an</u>   |
|        | academic email address)   |
|        | - Merge multiple accounts to your academic email (Reference: Guide to Update Learning Hub Accounts)   |
| Step   | 2: Complete the eLearning (avg. 2 hours)  |
|        | 3(1)  |
| $\Box$ | Monitor your inbox for an email from the CST Sustainment Training Team (CSTCernerTraining@phsa.ca) and  |
|        | carefully follow the instructions to register into eLearning. Once you have successfully self-registered into the   |
|        | curriculum, you will receive an automated email from LearningHub.   |
|        |   |
|        | (Reference: <u>How to use LearningHub</u> )   |
| Cton   | 2. Training Completion  |
| Step   | 3: Training Completion  |
| $\Box$ | All students have their CST Cerner accounts created and enabled for the start date of their placement. <i>However, if</i>   |
|        | you <u>do not</u> complete all components of your training before your start date, your access will be disabled.  |
|        |   |
|        | Once on-site, you can log in to a computer and access CST Cerner applications using the ADID and password included  |
|        | in the email from CST Access & Provisioning team (CSTCernerAccess@vch.ca) (see Step 1).   |
|        |   |
|        | <ul> <li>If you have previously used CST Cerner, please use the log-in information from your first placement.</li> </ul>  |
|        | - E.g., If you previously completed a placement at a VCH site, and have an upcoming placement with PHC, you   |
|        | will use your VCH login (vch\username) during your PHC placement.   |
